Today 15th November is World Day of Remembrance for Road Traffic Victims 2015: On "World Day of Remembrance", we remember not only the people who have died on our roads, but we also encourage people to consider the other preventable tragedies that will happen before the end of the year. This year we have tragically already seen 127 lives lost on our roads. That is 127 families and communities who are devastated by a loss this year in counties all over Ireland. "World Day of Remembrance" serves as a stark reminder to us all to consider what we can do to prevent more loss of life on our roads this year.

Prayer for motorists before driving

Holy Mother, hear our prayer, keep us in your loving care, whatever the perils of the way, let us not add to them this day. So to our caution and attention, we add a prayer for your protection, to beg God's blessing on this car, to travel safely near and far.

On Sat 21st November we celebrate the memorial of the Presentation of the Blessed Virgin Mary: May Mary's example give us the strength to radiate light and warmth to the Church, and help us to be dwelling places of God's joyful presence on earth.

The November Dead List Envelopes for deceased family members and friends are available at the back of the church. Completed lists & contributions should be placed in a sealed envelope and returned to the Sacristan of the Church or the Parochial House. The November Dead List will be recorded in a book of remembrance in the sanctuary of the church during November, & Masses will be offered during November & throughout the year.
