**ON SATURDAY 27TH AUGUST** we celebrate the feast of **St. Monica** patron saint of mothers. She converted her pagan husband to faith and by her prayers and tears, brought her son St. Augustine to Christianity and a moral life.

**Reflection.** *It is impossible to set any bounds to what persevering prayer may do. It gives man a share in the Divine Omnipotence. Saint Augustine's soul lay bound in the chains of heresy and an illegitimate union, both of which had by long habit grown inveterate. They were broken by his mother's prayers.*
