Webcam Mass Broadcast:
We would like to inform you all that we have changed our live streaming provider for St Patricks Church, the other Churches will follow in due course.
The new weblink is <https://churchmedia.tv/Dundals>.
You can view your webcam via a few different methods:
1. Parish Website -You can go to our parish website where there will be a Web Cam option. Please note the camera may be turned off when Mass is not taking place. This is due to GDPR regulations.
2. Laptop / Mobile phone / Tablet. Go to Google Chrome in your browser. Type in **www.churchmedia.tv**. Once in the site, click on Find Church and start to type in the name of the church and the church will appear. Click on the play button to view live stream.
3. A Roku Device. This is the most reliable method to watch Mass. This little stick /device plugs into the back of your TV. This is available from Currys PC World priced at £29.99/€35 <https://www.currys.ie/ieen/tv-and-home-entertainment/digital-and-smart-tv/set-top-boxes/roku-express-hd-streaming-media-player-10199751-pdt.html> Available from Argos
<https://www.argos.co.uk/product/3269116?clickSR=slp:term:rok> u:1:8:1 Roku Stick instructions for setup: Plug stick into the back of your TV into the HDMI Port and using the remote control connect to your WIFI **Please note, if you would like a family funeral or wedding recorded this MUST be requested to the parish prior to the service starting, as there is no way possible to retrieve a past service unless it was recorded**

Works required to churches
St. Nicholas’s heating system requires extensive work due to leaks in the underground pipes. Although the heating is functioning, water from the system is leaking under the floors. This means the system is forcing fresh water through the radiators, which will lead to the radiators corroding from the inside and in turn would then need to be replaced. A survey of the system has been done and we are waiting for an estimate of the cost of the work. As soon as that has been produced then we will have a better idea of how to move forward with regard to fund raising or seeking possible grant aid. Don’t worry, there will be heat on throughout the winter and hopefully you will notice a difference in all our churches.
If you have visited St. Patrick’s church recently, you will have noticed that the front pews have been turned sideways. This is to facilitate better movement at Holy Communion time – especially at funerals. However, this arrangement has shown how years of polishing has taken its toll on the beautiful parquet flooring. Over the past week this section has been sanded and revarnished. It is hoped that in due course we can get the whole of the floor cleaned to the same level. Unfortunately as the total cost is in excess of €15000 , we will go section by section until the whole church is completed.

Parish Bulletin Sponsorship
Sponsorship is invited for the newsletter. We invite families, individuals or business to sponsor the newsletter each week. Families can sponsor on behalf of a deceased family member or members or individuals or businesses can sponsor it in their own name. Sponsorship is 50euros per week or four weeks for 150 euros.
