**QUESTIONS ABOUT THE NEW MISSAL:** Aren't there more important things we could be doing as a Church? The Church's mission in the world is one of loving service and sharing the Good News of Jesus Christ. In the celebration of the Mass we nurture and celebrate the faith that calls us to individually share in the mission of the Church. The words and actions of the Mass form the central act of the Christian community. Together they express our faith – we pray as we believe. So our words and actions in the Mass matter deeply. They shape our faith and lead us beyond the Mass to live out this faith. The work of the Church rightly continues in all sorts of ways. Yet the importance of the Mass in the life of the Church demands that we give it time and attention and take great care in its words and actions. Cards detailing the new responses are now available to take home. For more information, please refer to [www.catholicbishops.ie](http://www.catholicbishops.ie)

**On Saturday 6th August** we celebrate the feast of **The Transfiguration**. The cross requires the exodus of Jesus, his death, resurrection and glorification. The disciples have to realise that he must depart just as they are now prepared for his going to Jerusalem to die.

**GO INTO MY VINEYARD** is a two year Certificate programme in Theology and Lifelong Learning offered by Mater Dei Institute of Education in partnership with the Archdiocese.
